COMPOSTING UPDATE

Since SMSA started composting in January, our students have diverted **555.2 pounds** of food waste from landfills and trash incinerators, which is **like saving 108.8 gallons of gas.**

Or, to put it another way: our school has offset the equivalent greenhouse gas emissions of a cross-country road trip — 3,047 miles of driving.

Thank you to our friends at Adirondack Worm Farm for helping us!

FAMILY PRAYER LIST

The students and teachers will pray for seven school families per week.

This week we will remember in prayer these families:
Anunziato, Beyer, Humphrey, Melvin, Noonan, Sanchez, Watkins
Heavenly Father, thank you for these families.
Help them to be loving and kind to each other today.
Show them ways to help others.
Make them quick to forgive so their homes can be full of your joy and peace.
Bless these families so they can all follow your holy will and live together in your love. Amen.

Who are we?

About Us

SMSA Summer Enrichment is a teacher-led enrichment program founded on basic Catholic beliefs. It is a unique summer enrichment program that fills a childcare gap for parents as well as an academic gap for children who may experience the “summer slide.” We offer academics, fine arts, weekly theme activities, daily specials classes, daily physical activity, and weekly field trips or in-services. Our enrichment program runs for seven weeks, and is open daily from 7:00am-5:00pm. We encourage you to sign-up for a week, or, for the whole summer!
